We gather and provide a light lunch with the residents who participate. After lunch Pastor Camille facilitates a discussion of passages from the Book of Luke. The residents enjoy reading the passages aloud for the group before we take time to think about what the passage means to us individually and have an open discussion. We welcome additional congregants to join us tomorrow!

The Homeless in our Area

There are sandwiches and slices of banana bread in the freezer downstairs and water bottles in the refrigerator upstairs that you are encouraged to give to any homeless folks you encounter when you are at the church.

Please give one each at a time.

Silver Creek Presbyterian Church invites you to join us for... Dinner and Discipleship!

We will be meeting at 6:30pm on Wednesday, 9/20, at Sam's Burger Deli in Rome Georgia.

This will be similar to the "Supper Club" social events we used to have, but with dedicated time for diving into scripture.

We will be **discussing James chapter 3**. While you don't have to read it in advance, you're encouraged to do so.

Please RSVP if you can by reaching out to Zach Sherwin. **You can RSVP to Zach by emailing zach.sherwin@gmail.com.**

Thank you and we look forward to seeing you there!

From Sue Hastings:

Staci Graves, PA for Floyd Primary Care's satellite at the Rome High College and Career Academy needs some items to help her better serve the students. If you can pick up some of these items or would like to make a monetary donation so Staci can purchase these items, it would allow her to better serve the students who come to her for daily care or illnesses.

Helpful Items include cough drops, small individual snacks to be given to students authorized to being given medication at school (cheese or peanut butter n crackers, mini-Pop Tarts, pretzels, individual breakfast packaged items – small pastry /cookies). Other items appreciated include personal care items – deodorants for all, grooming products, toothbrushes and paste, personal care items, and feminine products.

Staci also collects and keeps on hand some clothing for students who may be in need...especially if they have gotten sick. Rome High does have a Care Closet and their primary need is pants. They appreciate donations of all sizes to help support the needs of their students. Staci hopes to keep some items in her area for emergency use. Donations can be left in the middle Sunday School room – in a big bin provided.

Thank you in advance for your consideration of this important local community outreach project.
